On December 5, 2008, we are having a **STUDENT DANCE** and **RESALE SHOP**. This is our way of getting all students out to a dance and also giving them the opportunity to buy used, but in good shape, square dance clothing at very reasonable prices. Please consider bringing your students to this dance. We should all have a very pleasant evening. Our caller is Chuck Witt and our cuer is Flora Haynes. Both will be calling dances at the beginning level. Flora will also be doing some line dancing.

Also, your members may bring clothing to sell. We ask you to put a tag on each piece and the amount you want to sell it for. At the end of the evening, please pick up any unsold items you bring and your earnings.
