- **Great Pumpkin Ball:** (formerly called the Octoberfest) The Great Pumpkin Ball is held annually on the fourth Sunday afternoon in October and has halls for several levels of square dancing and a hall for round dancing.
- Member Clubs, as part of the **Membership Requirements**, provide the many workers that it takes to put on these events. While these dances are put on by the Association, they are open to all square and round dancers. The Great Pumpkin Ball and the Sweetheart Dance are the two (2) major events sponsored by the Association each year, and are the primary sources of income for the Association.
- **General Meetings:** The Club Delegates meet as prescribed in the by-laws to conduct the business of the association. These meetings also serve as a communications link between the clubs and Executive Committee. The Newsnotes, Clearing House and other literature are distributed at these meetings.
